

East Gippsland Performance Quarter Horse Association

Western Dressage Clinic

Western dressage is best described as the equivalent to English dressage. The day will provide you with a interactive clinic atmosphere in the morning & then opportunity to complete a test (pattern). Along the way you will be able to work on your ability including gaits and transitions as well as presentation. An excellent opportunity to new, beginner or inexperienced riders to learn

When – Sat 21st April 2012
